

ARTIST ERECTS XXX-MAS MURAL

HIGH RISE

CENSORED!

— and it's
a whopping
4 stories tall

All in all, it's just another pr-k in the wall. Neighbors were shocked over the holiday weekend when an artist painted a giant phallus on this Lower East Side building. Extremely realistic — except for being 40 feet tall — it was finally covered over yesterday, and police have opened a criminal probe.
